

KAILASH MANSAROVAR YATRA HELICOPTER - NRI

Overview

Duration : 12 Night / 13 Day

Package Cost

Price : Kathmandu 3500 USD per person

The **Kailash Mansarovar Yatra** is a significant and spiritual pilgrimage to two sacred sites in Tibet: **Mount Kailash** and **Lake Mansarovar**. It holds immense religious importance for Hindus, Buddhists, Jains, and Bonpo followers. Located in the remote and high-altitude regions of the Tibetan Plateau, the yatra is considered one of the most challenging and revered pilgrimages in the world.

Spiritual Significance

Pilgrims believe that visiting Mount Kailash and Lake Mansarovar is a path to spiritual growth, self-purification, and achieving liberation from the cycle of birth and death (samsara).

The **Kailash Parikrama** around the mountain is particularly important, as it is believed that walking around the mountain helps the individual rid themselves of accumulated karmic debt and brings them closer to moksha (freedom from the cycle of life and death).
